

Statement of Intent:

In this current revised Constitution, many amendments were made to the previous version (a copy of which may be received from the undersigned upon request), passed either unanimously or by a 3/5 majority vote, including: the addition of 4 new Executive positions (Social Chair, Director of Small Groups, Field Organizer, and Administrative Officer), a new subset of appointed officers (At Large Board Members), new requirements for voting and running, as well as an extension of term (besides a few minor typographic changes for consistency). All these changes were made for what we hope will be better functioning of Pride Alliance in coming years.
